## Address

5/75, Malviya Nagar  
Jaipur (Raj.) - 302017

## Profile

Creative Designer who believes impactful design goes beyond visuals to create meaningful connections. I combine creativity with strategic thinking to deliver visually compelling solutions aligned with business goals. Experienced in collaborating with diverse clients to produce designs that strengthen brand identity and drive engagement.

## Work Experience

2016 - Present

KGK Group  
Jaipur

### Sr. Graphic & UI/UX Designer

As a Sr. Graphic & UI/UX Designer at KGK Group, I lead creative design initiatives across digital and print platforms. I develop user-centric UI/UX solutions and ensure visually impactful designs aligned with brand and business goals.

2015 - 2016

Modern Art Printers  
Jaipur

### Graphic Designer

As a Graphic Designer, I handled the design and execution of high-quality print materials, including brochures, packaging, and marketing collateral. I ensured creative accuracy, brand consistency, and print-ready production within tight deadlines.

2012 - 2015

Chamad Product  
Bharatpur

### Graphic Designer

As a Graphic Designer at Chamad Product, I designed marketing and packaging materials while ensuring brand consistency and creative quality across all platforms.

## Work Education

2025 - 2026

Madrid Softwares  
Delhi

### Advance UI/ UX Diploma Course

Completed an Advanced UI/UX Diploma Course with in-depth training in user research, wireframing, prototyping, usability testing, and interface design.

2015 - 2016

TGC Animation  
Jaipur

### Diploma in Multimedia Design

Completed a Diploma in Multimedia Design, covering graphic design, and digital media production. Developed strong creative and technical skills in visual communication using industry-standard design and multimedia tools.

## Academic Education

2009–2012

MSJ College  
Bharatpur

### Bachelor of Commerce

Completed Bachelor of Commerce (B.Com), gaining strong knowledge in accounting, finance, business management, and economics.

2009

Vivekanand School  
Bharatpur

### 12th Class

Completed 12th Grade (Higher Secondary Education), building a strong academic foundation and developing essential analytical and communication skills to support further professional studies.

2007

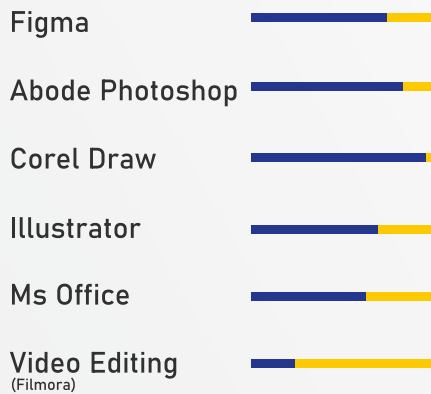

SRPS School  
Bharatpur

### 10th Class

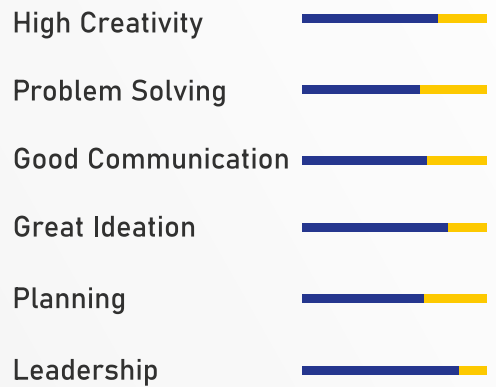

Completed 10th Grade (Secondary Education), establishing a strong academic foundation and developing core skills in mathematics, science, and communication.
